Ocean Spray EFCU Wants To Thank You Our Loyal Members

As many of you know, Ocean Spray Employees Federal Credit Union is celebrating our 50th anniversary year in business. Founded in 1966 by several Ocean Spray Employees, who wanted to create a credit union to benefit Ocean Spray Cranberries, Inc. employees financial needs. That is a true testament of our commitment to our members and their families. 50 years later, we are still proud to serve our members financial needs.

Over the years, we have received so many letters and emails thanking our staff for their fast, professional and courteous service. A few months ago, we conducted a survey so that we could receive important, positive feedback regarding our staff, the products we offer, and any other financial questions or suggestions our members may have. We encourage any of our members to send us a quick story of a time that our credit union helped you achieve your financial goals. Perhaps we may have helped you through a tough time or gave you some helpful advice. You may keep it confidential if you wish. We would just love to share your story.

It is our pleasure to be part of your story and we look forward to hearing from you!

Thank you so very much for being a part of our credit union family,
Annette, Colleen, Kate, Linda and Helen.
